

# School Parliament Newsletter

A message from Mrs Logue— Many thanks to Mr Barton for overseeing our School Parliament and to Miss McCarron, Mr Mulligan, Mrs Donnelly and Mrs Young for supporting our pupils in these exciting ventures and projects. The Parliament not only support our school, local parish and community but the wider national, international and global world. In our Mission we are proud. Well Done!

The School Council have had a fantastic term and have been very attentive to God's Calling — they have judged competitions, organised raffles and foodbank collections.

In Autumn 1, our Foodbank Collection gathered over £200 worth of goods for St Chad's Sanctuary. Thank you for your generosity!

Our Feast Day Raffle raised £400 — all the proceeds from the raffle went to our Parish Church and helping those who are less fortunate than ourselves. Father Simon was extremely grateful!

Next week, we are holding our next raffle... A Christmas Raffle—tickets are 50p.

The wellbeing team have really enjoyed supporting our school this half term. We helped judge the St Margaret Mary drawing contest and worked hard to organise a non-uniform day to raise money for new playground equipment. We raised over our target and have brought loads of new equipment for children to enjoy at lunchtime. We are looking forward to helping our school even more in the future.

## ECO TEAM

The Eco Team are very enthusiastic and passionate about improving God's planet little by little. In October, we celebrated Harvest Festival with a food collection for St. Chad's Sanctuary. Recently, Daisy-Ella with her team organised a non-uniform day to mark the Feast of St. Andrew. Thank you to all the families that have contributed. I feel the children's work has only just begun and exciting projects are ahead of us with the money raised.

## LITURGY

The Liturgy team have had a busy term. From electing our Liturgy Lead and choosing the best drawings of St. Margaret Mary at the beginning of the term, to collecting for St. Chads Sanctuary at the end. The Liturgy team have worked extremely hard to be living examples of Christ in the good works they have done. We can't wait to tell you about what we have in store in Spring. Keep a watchful eye on the noticeboard for updates.
