Keep a record of your reading this week and choose a favourite character to draw and write a profile about.

Can you think of any similar characters in other stories? Are there similar themes?

Choose a different character to compare and identify similarities and differences between them. Include your personal opinion with reference to the texts to support your view.

Spelling/Grammar and Punctuation.

The BBC also have created daily online English lessons, you can access them through the link above

Create word banks relevant to the topic you are studying this month; create a list of technical vocabulary.

Create a dictionary/thesaurus of words that are relevant to what you are learning this half term.

Writing

Littering can be a problem in many parks. Design a poster to encourage people to put their litter in a bin or take home with them. Make sure your design is bright, eye-catching and to the point.

Use images/bold writing to make the message of your poster clear to the reader.

Consider the effects of littering on the environment and to wildlife and also to the general public.

Additional Learning Theme: Sport

- **Our Sport Heroes**- How many famous sports people can your child name? Ask them to choose a sports person and research online about them. Can they find out how and when they started their career, or any other interesting facts about them? Encourage your child to create a timeline that details all of the achievements of their sporting hero.
- **Tissue Paper Sports Logo** - Ask your child to use scrunched up tissue and paint to recreate the logo for their favourite sport team or design and create their own sport logo, perhaps for their school team. Your child could sketch this with pencils as an alternative.
- **Super Movers!** - Your child could design a poster encouraging others to take part in sporting activities. Ask them how they would persuade others to join in. What type of words could they use?
- **Sharing Sport Interests** - Encourage your child to ask different family members about their favourite sports and any sports they took part in growing up - were they a part of any clubs? Did they take part in any competitions? Did they win any trophies? They might find out something new about their family members! Following this, can your child use the information to write a newspaper report recounting one of the memorable events? They could include quotes from the interview.
- **Powerful Paralympians** - You could explore diversity in sport with your child. Ask your child to find out about the Paralympic games and famous Paralympians such as Ellie Simmonds. How have these people overcome challenges to represent their country in their chosen sport? They could write a letter/email to a chosen athlete and ask them questions about their sporting journey. Or they could draw a detailed sketch of the athlete during a winning moment.
