

# Year 2 Newsletter - Autumn 1

## This half term we have been learning...

The Great Fire of London - Where did it start? How did it begin? Who caused the fire? How long did the fire last?

Black History Month - We have spent time learning about significant role models. Year 2 have learnt all about Mary Seacole and Michael Jordan.

Materials - We have looked at the properties of different materials and thought about why some objects can't be made from other materials.

This half term's suggestions for looking after your mind, body and soul:

- Draw a picture of the things in your life that make you happy.
- Sit outside and close your eyes - listen to the world around you, what do you notice?
- Have a go at some yoga exercises on YouTube <https://>
