

Year 4 Newsletter - Autumn 1

This half term we have been learning... all about the Vikings! We have used historical sources to find out about the past and we have written non-chronological reports to show off all of our knowledge. In maths we have been excelling in our addition and subtraction methods.

This half term's suggestions for looking after your mind, body and soul:

- Draw a picture that represents you! What are your favourite things? What do you enjoy doing? Take some quiet time in your day to reflect on how special you are!
- Let's get dancing! Follow along with a Just Dance video on youtube!
