

Year 5 Newsletter - Autumn 1

This half term we have been learning... all about World War 2 and how it affected people's lives at home in Britain. We also looked at WW2 themed historical stories as well as Newspaper reports in English. In maths we have focused on place value of numbers up to 1,000,000 as well as addition and subtraction.

This half term's suggestions for looking after your mind, body and soul:

- This week we shall think about how we can be thankful for what we have. Let's all try to make a conscious effort to say thank you to our family for things they do for us.
